## RE: DISADVANTAGED BUSINESS ENTERPRISE CERTIFICATION

Dear Ms. Bergdoll:

The Department is pleased to announce that your company has been certified as a Disadvantaged Business Enterprise (DBE) which is subject to continued eligibility and also subject to actions of any other governmental agencies which may affect the minority status of your firm. This agency's certification enables the company to compete for Department work as a minority owned and operated company. It is not a guarantee that the company will receive work.

DBE certification by the Department shall be for a period of three (3) years. On each anniversary date during the three (3) year certification period an Affidavit of Continuing Eligibility must be submitted. If at any time there is a change in the ownership for recertification at the end of the three (3) year period a new UCP Application must be submitted to the Department ninety (90) days prior to expiration of your current certification.

Your firm can participate in FDOT contracts for DBE credit in the following specialty code-944-Laboratory Testing Services.

Sincerely,

John Goodeman  
Certification Manger
