CERTIFICATION EXPIRATION DATE
April 8, 2006

Dear Ms. Bergdoll:

The South Florida Water Management District, has certified your firm as a Minority Business Enterprise (MBE). This certification is valid for three (3) years and may only be applied when business is conducted in the following area(s):

Mobile Laboratory & Field Testing Services

Your submittal of bids or proposals to supply other products or services outside of this specialty(s) will not count toward MBE participation. If you require certification in other areas of specialty, please contact the Procurement Department, MBE Section, for additional information.

This certification is subject to periodic review to verify your company's continued eligibility. Renewal is required every three (3) years and should be requested within 45 days prior to the above expiration date.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist), you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times. **FAILURE TO REPORT CHANGES THAT AFFECT THE OWNERSHIP AND CONTROL OF YOUR COMPANY MAY RESULT IN DECERTIFICATION.**

Certification is not a guarantee that your firm will receive work, nor an assurance that your firm will remain in the District's solicitation database. To maintain your status in the District's solicitation database, all bids/proposals packages requested, or downloaded from the internet, must be responded to either by submission of a bid/proposal or by submitting the included *Statement of No Response* form. This is very important, for failure to respond to three (3) solicitations will result in your company being removed from the District's solicitation database.

Sincerely,

Candice B. Boyer
